

Qualifications: Certificate in Primary Education Diploma in Basic Education (English Major)

Experience: 23 years teaching experience, 1 of which has been at CRS. I have also been a Deputy Headmaster and assisted in school management over the years.

Word from the teacher:

"CRS is a very conducive place for both learners and teachers with very little outside interference such as noise etc. Class sizes are manageable and allow for individual attention. There is a very good relationship between the parents and teachers through the PTA. Good relationships amongst the teaching staff help to make this school a very happy place".
