

Qualifications: BSC Hons Engineering and French
PGCE Design and Technology

Experience: 6 years teaching at D&T in Senior Secondary Schools in Botswana, 8 years teaching at Chobe River School

Word from the teacher: "At present I am teaching Moths, Science and Agriculture to the Standard 6 and 7 classes as well as Science to the Std 5 class. In past years I have also taught English to Standard 5, 6 and 7. I assist in afternoon activities and help coach football, cricket, rounders and athletics. I also run French club and organise the annual Science Fair and Athletics day. I enjoy working in an energetic caring and creative atmosphere at CRS as it provides all of the above and so much more".
